Advanced Health has activated the emergency service to allow the appropriate submission clarification code to override certain denials for members affected by COVID-19

MedImpact will follow the guidelines recommended by the National Council for Prescription Drug Programs (NCPDP) in the NCPDP EMERGENCY PREPAREDNESS INFORMATION Version 1.5 published July 2018. Detailed information is included within our Payer Sheet and defined below:

Claim Segment

Submission Clarification Code (420-DK) = 13

Prescriber Segment

Prescriber Id (411-DB) may be used to submit the pharmacist NPI in situations when the pharmacist may prescribe. In this case only a qualifier of 01 is valid.

For any questions regarding these procedures please call our Pharmacy Help Desk at (541) 269-7400.
