THIS GRID IS FOR SERVICES PERFORMED BY IN-NETWORK PROVIDERS ONLY All Below the Line conditions require a Prior Authorization for consideration of coverage

Must have DMAP covered CPT and Diagnosis. Please refer to OHA Prioritized List

ADVANCED HEALTH

2020 Prior Authorization Grid

Approved: January 1, 2020

Effective: January 1, 2020 - December 31, 2020

Prior Authorization is required for ALL SERVICES performed by OUT OF NETWORK providers (except urgent care, emergent,

st family planning, HIV treatment). Services not reflected on the below grid may require authorization;

contact Advanced Health at (541) 269-7400 for further details.

* As defined in OARs 410-130-0585 and 410-130-0587. Out of network tubal ligation and vasectomy requires prior authorization and valid consent form

This grid is to be used as a guide for determining prior authorization requirements. It should not be relied upon for determination of covered benefits under Oregon Health Plan.

Prior authorization is not required for Medicare Primary members for those services covered by Medicare.

For all other services, refer to the grid below.

**Retroactive authorizations will be considered for 30 days past the date of service

**The following services require a prior authorization for OHP and Commercial Insurance as Primary

Behavioral Health Services

No prior authorization is required for Outpatient Behavioral Health Visits with an in-network provider

- 1 Environmental intervention for medical management purposes on a psychiatric patient's behalf with agencies, employers or institutions
- 2 Applied Behavior Analysis (ABA) Services
- 3 Psychiatric day treatment program
- 4 Behavioral day treatment, per hour
- 5 Intensive outpatient psychiatric services

Chemical Dependency Services (Member may self refer; no PCP referral required)

6 Chemical Dependency Services reviewed by ADAPT: 541-751-0357 or Curry Community Health: Contact 541-373-8001
