Mental Health Medications such as antidepressants, antipsychotics, and mood stabilizers are covered for Advanced Health Members directly by Oregon Medicaid. Pharmacies should bill these prescriptions to DMAP. Call 888-202-2126 or fax 888-346-0178 for questions.

Liquid Oral Medications will be covered for members 12 year of age and younger. All others will require a PA.

HIV Medications approved by the FDA for treatment and prevention of HIV are covered (Specialty Pharmacy). Truvada, Isentress, & Tivicay are available without a PA for a 30-day supply for PEP at local pharmacies. Call MedImpact Helpdesk at 800-788-2949 or Advanced Health 541-269-7400 for denied claims.

MedImpact Direct Specialty is our Specialty Pharmacy Provider. You may reach them at: (Phone) 877-391-1103 or (Fax) 888-807-5716 www.medimpactdirect.com/providers

Tablet Splitting of some medications offer significant cost savings. Tablet splitters are available at no cost to Advanced Health members. Call 541-269-7400

All Stimulants require a PA for age 23 years and older. ******(Products are covered under step therapy for members less than 23 years of age).

Vitamin/Mineral Supplements are covered for prescription strength only unless otherwise specified.

Opioids are subject to Advanced Health quantity limits and prior authorization criteria. Up to 60 tablets per 180-day period may be covered without a PA for acute conditions. Opioid use beyond 60 tablets within a 180-day period requires PA. PA will also be required for all long-acting opioids. Local oncology providers are excluded from PA requirement for formulary opioids.

Contraceptive Products: 12 months of formulary oral contraceptives are a covered benefit after an initial 3-month trial. Preferred oral agents: Sprintec (*Ortho Cyclen*), Seasonale for extended cycle, Levlen/Nordette, Lo Ovral, Nor QD/Micronor.

Smoking Cessation: Nicotine Patches/Gum/Lozenges, and Varenicline are available without a PA for up to two quit attempts per year (One quit attempt equals a 90-day supply of medication dispensed in 30-day increments). Pharmacy provider may contact Advanced Health at 541-269-7400 for information.

Hospital, ER, Urgent Care Discharge or Dental Emergency Override please contact the MedImpact Pharmacy Helpdesk at (Phone) 800-788-2949 for a 5-day supply of any medication prescribed at discharge for Advanced Health Members. Mental Health medications should be billed directly to DMAP (see **Mental Health Medications** above). Please fax prescribing provider to submit prior authorization for any medication that required 5-day override AND Advanced Health Attn: Jean or Lisa F at 541-269-7147.

Vaccinations: If members are less than 19 years of age their vaccine is covered through the Vaccines for Children (VFC) program. Members should be instructed to see their PCP or the Public Health Department for vaccine administration. Pharmacies are **NOT** VFC providers, therefore they may not administer vaccines to Advanced Health members that are 18 years of age or less. *******This does not apply to the COVID Vaccines.
