## Who Can Receive These Rides?

Any active Advanced Health member can schedule rides through BCB. This benefit covers all your NEMT rides. If you have questions, please reach out to Advanced Health directly.

Prior to scheduling your ride, BCB will verify your eligibility.

These rides are available for members who need help getting to and from a covered service. This is free of charge. You can also use this service to go to the pharmacy to pick up your medicines.

Full Benefit Dual Eligible (FBDE) members are also able to receive rides through BCB. We will confirm that you are able to get a ride and that the service is covered through your Medicare plan or Medicaid plan.

Advanced Health or BCB will confirm if needed directly with such members' Medicare provider. In the case of FBDE members, that such members require NEMT to travel to a Medicaid or Medicare covered appointment within Advanced Health's service area or outside the service area if the covered service or health-related service is not available within Advanced Health's service area or outside the service area if the covered service or health-related service is not available within Advanced Health's service area and for which Advanced Health is responsible for cost-sharing. For members enrolled in the Compact of Free Association (COFA) Dental Program or the Veteran Dental Program, both of which are defined in OAR chapter 410, division 200, the CCO (Advanced Health) is responsible only for NEMT services related to the member's dental services.

## Service Hours

BCB's call center is open Monday through Friday 8:00 am to 5:00 pm. Please call Toll Free 1-877-324-8109 | 541-266-4323 to schedule an appointment. If calling after hours, there is a 24-hour hotline available. Members also have the option to leave a message. The answering service message is available in both English and Spanish. If the member leaves a clear message with a phone number, BCB will return all phone calls within the next business day. If unable to reach the member, BCB will continue efforts until the member is reached. BCB has qualified multilingual NEMT Call Center staff or access to oral interpreters to communicate with callers. This can be accessed via telephone interpretation service free of charge to callers with Limited English Proficiency. The BCB NEMT Call Center accommodates callers who are hearing and/or speech impaired and has access to TTY.

Medical trips are covered and provided 24 hours a day, 365 days a year.

In accordance with OAR 410-141-3920, members and their representatives may schedule:

- **Same day for NEMT Services**
- **Up to 90 days in advance**
- **Multiple NEMT services at one time for multiple appointments, up to 90 days in advance.**

After hours, weekends, or holidays may be more difficult to arrange. If you have an appointment during that time, please make sure to call BCB ahead of time. They will need to arrange a ride for you.

### **BCB will close the call center on these Holidays as approved by OHA:**

**New Year's Day**  
**Memorial Day**  
**Labor Day**

**Independence Day**  
**Thanksgiving**  
**Christmas**

BCB will provide ride information to the member or their representative. If that information is not available, BCB will ask how you want to be contacted and the time to contact you. This can be done by phone, fax, or email. This information includes:

- Name and telephone number of the NEMT provider and or driver
- The member scheduled pick-up date and time

- The address and the name and address of the provider to whom the member requests a ride.
- Transport is requested to be scheduled a minimum of 24-hrs in advance and not less than two (2) days prior to the scheduled pick-up time if leaving the county.

If the ride requested is less than two (2) days prior to the scheduled pick-up time, Bay Cities Brokerage shall provide the Member with the brokerage’s phone number and may, but is not required, to also provide the member with the name and telephone number of the NEMT driver or NEMT Provider. BCB will make sure your members scheduled appointment for out of the area rides are covered. BCB may confirm your local appointments as needed. If a ride cannot be provided, the member will be called.

## Types of Rides

BCB will work with you to provide you the best ride to fit your medical needs. The following are ride options available:

- **Bus (tickets or passes) or Mass Transit**
- **Shared Rides**
- **Wheelchair Van**
- **Sedan**
- **Secure Transport**
- **Stretcher Car**
- **Mileage Reimbursement**

Bay Cities Brokerage will schedule trip. When the ride is approved, we will choose an NEMT provider to transport you. BCB is a shared ride program. This means that other people who ride may be picked up or dropped off during your ride. You may also be asked to schedule multiple appointments on the same day. This helps to avoid repeated trips.

**Secure Transport** is provided to members who are unable to be transported by any other means due to a mental health crisis. This can be for someone who is in a crisis or at immediate risk of harming themselves or others due to a mental or emotional problem or substance abuse. This type of ride means that members may need to be restrained during the transport. Transport is to a Medicaid enrolled facility that is recognized as being able to treat the immediate medical or behavioral health care needs of the member in crisis. One additional person may accompany the member at no additional charge when medically appropriate, such as to administer medications in-route or to satisfy legal requirements including, but not limited to, when a parent, legal guardian, or escort is required transport.

## Scheduling a Ride

To get a ride with BCB, call toll free 1-877-324-8109 or 541-266-4323. Your rides need to be scheduled two business days ahead. If you are going out of your county for services, you must schedule two business days ahead. Rides can be scheduled up to 90 days ahead of time. Same day trips may be scheduled. You can schedule more than one trip for appointments. The pick-up time can be changed to make sure the member arrives on time.

BCB is not responsible for arranging Rides when the Member uses public rides or when the Member or another person receives a mileage reimbursement or similar for transporting the Member.

Members can call NEMT services 24 hours a day. There is a 24-hour answering service. Members also have the option to leave a message. The answering service message is available in both English and Spanish. If the member leaves a clear message with a phone number, BCB will return all phone calls within the next business day. If unable to reach the member, BCB will continue efforts until the member is reached. The BCB office hours are Monday through Friday 8:00 am to 5:00 pm. For emergencies, call 911.

When calling BCB, please make sure to have the following ready. This is so they can schedule your trip to meet your needs:

- **Your name,**
- **Your address,**
- **Your OHP number,**
- **Your phone number,**
- **Doctor or office's name,**
- **Doctor or office's phone number,**
- **Date and time of your appointment,**
- **Return pick up time after appointment,**
- **Reason for the appointment (to check if it is a covered service),**
- **Special care for physical or behavioral health needs, current level of mobility and functional independence**
- **Any special mobility needs (a wheelchair, a wheelchair lift, or you will have your service animal),**
- **Directions to get to your home or appointment.**

BCB will make sure your driver has all your directions before picking you up. They will schedule your pick up with enough time to get you to your appointment. They will make sure you arrive no less than 15 minutes early. This is to prevent you being late. The member will arrive at their drop off with enough time to check in and get ready for an appointment.

If scheduling for a minor, BCB will need to know the child's personal information. They will also need the information for the adult who will be joining them.

If you are over the age of 18 and have a Member's Representative, they can schedule the ride for you. This can include a Community Health Worker (CHW), foster parent, parent, caretaker, or any other delegated provider. If you want to limit who can schedule rides for you, please let BCB know. They will put in your profile a special password set by you.

## Contingency Plan for Peak & Bad Weather Transportation

In times of bad weather, BCB takes safety measures to make sure you can get to your appointment safely. This is called the Bad Weather Plan. This plan takes effect when there is severe heat, severe cold, flooding, tornado warnings, heavy snowfall, or icy roads. In this weather, it may be too unsafe to drive you to your appointment. BCB will make every effort to change the type of ride to match the weather. They will work with providers, medical facilities, and you to change ride plans if the weather is unsafe to travel in.

BCB keeps up with the changing weather. They do this by staying up to date with state highway patrol websites and local news. BCB will use this information and risk assessments to decide if it's safe to continue with the scheduled ride.

During bad weather, you may still get rides if you need critical medical care. This includes renal dialysis, radiation, and chemotherapy.

If the drivers are unable to take you, due to weather or unsafe roads, BCB will contact you to let you know. They will work with you to reschedule the ride for when it is safe to travel.

### No Hazards

- Everything is normal.

### Possible Delays

- Some remote areas in Coos and Curry County have unsafe roads. There may be some delays in these areas. (Services will happen only on the streets that had snow removal.)

- If public transport and drivers are running late.

Riders who do not have critical medical needs are either unable and or unwilling to use the scheduled ride because of bad weather.

- The riders will be allowed to reschedule their appointment for another day at no cost to them.
- BCB will make every effort to find a driver that can provide the trip requested for all urgent rides.
- Sudden peak transport demands may require BCB to use back up plans.

### Limited Services

- Some areas have unsafe roads. If rides cannot be provided due to these conditions or lack of resources, trips will be cancelled. Members will need to reschedule all rides.

- Transportation is slowed (public transport and drivers continue to give rides) and for public transport, the minimum requirement for walking distance is removed.

- BCB will make every effort to provide non-emergency medical rides to life threatening medical services such as dialysis, chemotherapy, radiation, etc. during bad weather. Rides will resume as roads clear and become safe.

### Service Cancelled

- Services may be cancelled if there is a State of Emergency declared in Coos and Curry County or due to orders from the local law enforcement. BCB will not be fully staffed.

- Dialysis patients will need to listen to the news and follow emergency plans for help. Dialysis patients should call 911 IF their condition becomes an emergency. Members with emergency needs should reschedule non-urgent trips if roads are unsafe or are closed.
- When the weather is severe, the drivers notify BCB that they are no longer going to be providing rides for the day. If this happens:
  - Members with an emergency should call 911
  - BCB will attempt to call or text everyone that has a scheduled ride for that day. They will help them reschedule their appointment.
  - High risk trips will be given to drivers that are able to make the trip safely.
  - BCB will make every effort to find a driver able to drive in these conditions to provide urgent rides.
  - If a driver is found, they will confirm that your appointment was not cancelled or rescheduled before providing the ride. If the appointment has been cancelled or rescheduled, the trip will be cancelled. You will be asked to reschedule your ride.
  - BCB will cancel non-urgent rides.
  - In these cases, you will not be considered a no-show and you can reschedule for another day.

## When to be Ready

It's especially important to make sure you are ready for your appointment. When you schedule your ride, the representative will give you the time when your driver arrives. The ride driver may arrive 15 minutes before, or 15 minutes after your scheduled pick-up time. Please make sure to give yourself enough time when scheduling to allow for this extra time. If your driver does not arrive in that timeframe, please call BCB right away.

For return trips, you will call the driver to let them know you're ready to be picked up. They will meet you within one (1) hour. Return trips cannot be pre-scheduled. If they do not pick you up in that timeframe, please call BCB right away.

If you miss your scheduled ride, you **MUST** call BCB at the number at the top of the page. Do **NOT** call the ride driver to reschedule.

If you are not ready when the driver arrives, they will wait 15 minutes. After 15 minutes, the driver may go to their next scheduled pickup, and you will need to reschedule with BCB.

If your driver arrives before your scheduled pickup, you do not have to leave early. The 15 minutes will start at the scheduled pickup time.

BCB drivers are not permitted to pick up members from an appointment more than 15 minutes after the office closes for business unless the appointment is not reasonably expected to end within 15 minutes after closing, or as requested by the member, or as applicable, the member's guardian, parent or representative.

## Cancellations, Rescheduling, or No Shows

If you need to cancel or change your ride, call BCB as soon as you can. This is so that the driver can be notified. Do **NOT** call the driver directly. BCB will do their best to change to any sudden schedule changes.

If schedule changes are required, the Call Center will contact the member directly to communicate the NEMT Provider(s) can facilitate the members transport. This will be done before the day of the trip occurs, prior to

scheduled closing at 4pm. If anything in the Member's transportation requires changes same day, the NEMT provider is contacted as well directly from customer service in the Call Center.

You can call to cancel or change Monday through Friday, 8:00 am to 5:00 pm.

If you are not ready for your pick-up time and you didn't call BCB to cancel your ride, it will be treated as a no show.

If you call BCB to cancel your ride and the driver is on their way, this will also be treated as a no show.

Many no shows may end up in BCB refusing rides. It is especially important that you make every effort to cancel your ride. Please do this within a reasonable time before the scheduled pick up. Failure to do so can result in the lack of available rides to other customers.

### **The following service changes can happen if you keep no showing:**

- Limiting the number of rides you can schedule at a time,
- Limiting how far ahead you can schedule rides,
- Limit you to a specific NEMT provider,
- Only allow you to use mileage reimbursement.

### **The following may also cause changes to your ride services:**

- A member has a health condition that is a direct threat to the driver or others in the vehicle,
- A member threatens harm to the driver or others in the vehicle,
- A member engages in behavior or creates situations that put the driver or others in the vehicle at risk of harm.
- A member engages in behavior that, in the CCO's judgement, causes local medical providers or facilities to refuse to provide further services without modifying NEMT services in order to ensure providers will provide the covered services to a Member.

## **Urgent Rides**

If you have an emergency, call 911. BCB cannot arrange emergency ambulance rides. If you need to go to the Urgent Care and be seen right away, urgent rides can be set up if available. If you need an urgent ride, please contact BCB at the number at the top of the page.

## **Ride Denials**

Some rides may not be covered because BCB has not approved it. For example: You want to go to a doctor that is not in Coos or Curry County. BCB needs an approved prior approval (PA) before a ride can be approved. To find out if you have an approved PA, you can call your doctor or BCB's Customer Care at the number at the top of the page.

You may also get a ride denial if you have been put on a limited ride policy because of too many no shows. BCB will either approve and schedule, or deny your ride request, including all legs of the trip, within 24 hours of receiving the request. This timeframe shall be reduced as necessary to ensure the member arrives in time

for their appointment. If your ride is denied, you will receive a Notice of Action Benefit Denial (NOABD) letter. You will receive a written notice of any changes to your NEMT service. Before mailing out your NOABD, BCB must provide a second review by another employee when the first reviewer denies the ride. -BCB will send out the NOABD within 72 hours of the denial. This letter will go out to you, and the provider or other third party you were scheduled to see.

## Complaints, Grievances, Appeals and Fair Hearings

Advanced Health makes sure all members have access to a grievance system (complaints, grievances, appeals and hearings). We try to make it easy for members to file a complaint, grievance, or appeal and get info on how to file a hearing with the Oregon Health Authority.

Let us know if you need help with any part of the complaint, grievance, appeal, and/or hearings process. We can also give you more information about how we handle complaints/grievances and appeals. Copies of our notice template are also available. If you need help or would like more information beyond what is in the handbook contact us at: 541-269-7400.

### You can make a complaint:

- A **complaint** is letting us know you are not satisfied.
- A **dispute** is when you do not agree with Advanced Health or a provider, driver or call taker.
- A **grievance** is a complaint you can make if you are not happy with Advanced Health, your healthcare services, or your provider, driver or call taker. A dispute can also be a grievance.

To make it easy, OHP uses the word **complaint** for grievances and disputes, too.

You have a right to make a complaint if you are not satisfied with any part of your care. We will try to make things better. Just call Member Services at 541-269-7400 or 800-264-0014, TTY 711. If we need more time, we will send you a letter within 5 business days. We will tell you why we need more time. We will only ask for more time if it's in your best interest. All letters will be written in your preferred language. We will send you a letter within 30 days of when we got the complaint explaining how we will address it.

If you are unhappy with how we handled your complaint, you can share that with OHP Client Services Unit at 1-800-273-0557 or please reach out to the OHA Ombuds Program. The Ombuds are advocates for OHP members and they will do their best to help you. Please email OHA. **Advanced Health, its contractors, subcontractors, and participating providers cannot:**

- Stop a member from using any part of the complaint and appeal system process or take punitive action against a provider who ask for an expedited result or supports a member's appeal.
- Encourage the withdrawal of a complaint, appeal, or hearing already filed; or
- Use the filing or result of a complaint, appeal, or hearing as a reason to react against a member or to request member disenrollment.

You can ask us to change a decision we made. This is called an appeal.

If we deny, stop, or reduce a medical, dental or behavioral health service, we will send you a denial letter that tells you about our decision. This denial letter is also called a Notice of Adverse Benefit Determination (NOABD). We will also let your provider know about our decision.

**If you disagree with our decision, you have the right to ask us to change it.** This is called an appeal because you are appealing our decision.

## Member Billing

BCB members do not have to pay for covered services even if BCB or its contracted ride provider denied refund for the ride service. This includes getting a ride through BCB. If BCB sends you a bill, please contact BCB's Customer Care at the number listed above and we will help you get the bill cleared up. BCB does not have any cost-sharing for NEMT services.

### Member Overpayments:

CCO may recover overpayments made to a Member. Overpayments occur when a CCO's brokerage (BCB in this instance) or other ride subcontractor paid the Member:

- (a) For mileage, meals, and lodging, and another resource also paid:
  - (A) The Member; or
  - (B) The ride, meal, or lodging provider directly;
- (b) Directly to travel to medical appointments, and the Member did not use the money for that purpose, did

not attend the appointment, or shared the ride with another Member whom the brokerage also paid directly; (c) For common carrier or public ride tickets or passes, and the Member sold or otherwise transferred the tickets or passes to another individual.

## What to Expect from Your Driver

There is a *Level of Service* expectation from your driver when your ride arrives. This allows the driver to provide a different level that will best fit your medical needs.

When your ride driver arrives, they may come to the door of your home or the main entrance to your doctor's office to let you know that they have arrived. If needed, they can assist you into or out of the vehicle.

- Curb-to curb: Your driver will meet you at the curb of your pickup location.
- Door-to-door: Your driver will meet you at the door or front desk of your pickup location. The driver will escort you to the door or front desk of your drop-off location.
- Hand-to-hand: Your driver will meet you and a member of your care team at your pickup location. Your driver will bring you all the way inside at your drop-off location. Your driver will stay with you until someone from your care team takes you the rest of the way. A personal care attendant, if available can help do this service
- The driver may also help you into the main entrance to your doctor's office. However, they cannot assist you into the medical rooms or any other areas of the building. If you require further assistance, you may ask the office staff for help. If you have a personal care attendant, they can also help you.
- The ride-drivers are not allowed to enter your room, except for hospital discharges or stretcher transports.
- The drivers do not help transfer you between a bed to a wheelchair or wheelchair to vehicles. Some drivers will not be able to help you up or down stairs if you are in a wheelchair. If you use a wheelchair, please inform BCB when you schedule your ride of any special requirements you may have. This is to ensure that an appropriate driver is scheduled for you.

**Drivers are not allowed to request, or accept, cash, fares, or tips for your ride.**

When there is a scheduled ride and the driver arrives, they will let the passenger know either by text or a phone call to the member. The driver is required to wait at least (15) minutes after the scheduled pick-up time. If the passenger is not ready by that time, the driver will call BCB Customer Service and let them know before they leave.

## Safety Belt and Car Seats

Per Oregon State law, it is required that all people wear an appropriate restraint while riding in a moving vehicle. If you or anyone riding with you requires a seat belt extender, you must notify BCB at the time you schedule the ride.

Car seats and booster seats are required by law for all children until the following:

- Until they are taller than 4'9",

- Weigh more than 40 pounds
- And are over eight years old.

The member's parent, guardian or adult caregiver is required to bring and install your own car seat or booster seat.

- The Member's parent, guardian, or adult caregiver shall provide and install child safety seats for a person who:
  - 1) weighs less than 40 pounds and who is four feet nine inches or shorter.
  - 2) is under two years of age must be properly secured with a child safety system in a rear-facing position.
  - 3) weighs more than 40 pounds and who is four feet nine inches or shorter, with exception if the child is properly secured with a child safety system that meets the minimum standards and specifications established by the department under ORS 815.055 (Rules establishing standards for safety belts, harnesses and child safety systems) for child safety systems designed for children weighing more than 40 pounds.
  - 4) An NEMT driver may not transport a Member if a parent or guardian fails to provide a safety seat that complies with state law.

These cannot be left in the driver's vehicle. This is because you may not have the same driver picking you up from your appointment.

## Attendants

If you need more help than your driver can provide, an attendant (Member Representative) must come with you. You, your guardian, or your caregiver is responsible for providing an attendant when needed. The attendant must meet the requirements under OAR 410-141-3935. They can be your mother, father, stepmother, stepfather, grandparent, or guardian. An attendant may also be any adult 18 years or older authorized by a member's parent or guardian.

One attendant can travel with you at no cost. Extra riders may have to pay a fare or a shared ride cost. BCB only provides the ride; they are not responsible for the cost of bringing an attendant along. This includes their wages, meals, or other costs they may charge.

## Children

Children ages 12 and under are required to always have an adult attendant with them. The attendant must be one of the following:

- Any adult 18 years or older authorized by the Member's parent or guardian or
- The Member's mother, father, stepmother, stepfather, grandparent, or guardian.

CCO will determine whether the Member requires assistance and whether the attendant meets the requirements for an attendant. An adult attendant can ride with the child at no cost. If your child is over 12, it is not required that they have an adult attendant. However, one adult may go with a child up to the age 18 at no cost. If your child is 12 and under AND members with special physical or developmental needs regardless

of age, they must be accompanied by an adult attendant. Most providers require an adult signature for most procedures for any child under 18 years of age. Oregon State law requires children be in car seats or booster seats. Please see the section above for the policy.

## Service Animals and Companion Animals

BCB allows all trained service animals in their vehicles. These animals are to help people with disabilities. You must let BCB know when scheduling your ride if you are bringing a service animal with you. You also must let BCB know if you are bringing a companion animal.

## Wheelchair and Other Mobility Aids

If you use a wheelchair, power wheelchair, scooter, or other mobility aids, please let BCB know when scheduling your ride. This is to make sure that the right vehicle is scheduled for you.

If you use a non-standard or oversized wheelchair, you must inform BCB when scheduling your ride so that an appropriate vehicle can be sent. An oversized wheelchair is the following:

- Larger than 30 inches wide
- 48 inches long
- Weighs more than 600 pounds when occupied

Three-wheeled scooters are difficult to secure once in the vehicle. If you use a scooter, you will likely be asked to secure yourself into a vehicle seat for your safety. You are not required to do so.

If you use a walker or cane, they will need to be safely stowed in the vehicle once you are seated. The driver will help you secure your equipment if needed. Oxygen tanks must be secured in a carrier used for mobility.

## How BCB Makes Sure You are Safe

BCB does a Readiness Review of our NEMT providers before contracting with them. BCB will ensure that NEMT services are provided only using those vehicles that meet all the requirements set forth in OAR 410-141-3925. BCB will use providers that have met all the state requirements for local licensing and permit requirements and are operated by drivers who meet all the requirements of and have undergone all the pre-hire activities required screening, credentialing, and background checks required, under OAR 410-141-3925, which include verification of State driver's license with any required endorsements, screening for exclusion from participation in federal programs, and background checks.

All vehicles shall be kept clean and free from any debris impeding a member's ability to ride comfortably.

Vehicles will be equipped with all equipment necessary to securely transport members using wheelchairs or stretchers in accordance with the Americans with Disabilities Act of 1990 (as amended) (ADA) Section 504 of the Rehabilitation Act of 1973, and Oregon Revised Statute 659A.103

All vehicles shall be in good operating condition and shall include, but it not limited to, the following safety equipment:

- Side and rearview mirrors:
- Working horn
- Heating, air conditioning, and ventilation systems
- Working turn signals, headlights, taillights and windshield wipers
- First aid kit
- Fire extinguisher
- Flashlight
- Tire traction devices, when appropriate
- Disposable gloves
- Roadside reflective or warning devices.
- All vehicles adhere to the no smoking, aerosolizing or vaporizing of inhalant policies.

BCB will track pick up and drop off times and report it to the Oregon Health Authority (OHA) when asked. This is to ensure that members are not being dropped off prior to one hour before their scheduled appointment, unless requested by the Member or, as applicable, the Member's guardian, parent or representative.

BCB collects information of each service given. This includes:

- Each trip
- Member ID
- Destination
- Reason for the ride
- Any event of no shows on the part of the member or driver

If a driver does not pick you up for your appointment, BCB will follow up with you. They will decide whether you suffered any harm because of the failure to give the ride. BCB will see if whether rescheduling your appointment is necessary. Also, whether any other recourse or Corrective Action Plan with the driver is needed.

BCB has back up plans that include details of BCB's plans for sudden peak transport demands. This includes instances when a vehicle is extremely late or is unable to provide the scheduled ride.

We sometimes provide rides for services that BCB and OHP do not cover. These are Health Related Services (flexible services). You may be able to get to rides to the grocery store, or to groups like Alcoholics Anonymous. NEMT services are also available outside of BCB's service area if covered services are not available within our service area.

There will be rules and processes followed. This includes staff training, methods of notifications, and member education.

BCB has contingency plans and back-up plans for certain events that may affect your ride. This can be for peak ride demands that cause your transport driver to be more than (15) minutes late or becomes unavailable.

## Passengers Rights and Responsibilities

The following was set forth by OAR 410-141-3590, OAR 410-141-3585, OAR 410-141-3920, and 42 CFR 438.10

The grievance and appeal processes and rights specified in OAR 410-141-3835 through 410-141-3915 are available with respect to NEMT services, with the following modifications:

- 1) Prior to mailing a notice of adverse benefit determination to a Member, BCB must provide a secondary review by another employee when the initial screener denies a ride.
- 2) Advanced Health ensures within 72 hours of denial, a notice of adverse benefit determination is mailed to:
  - a. A Member who was denied a ride; and
  - b. The Provider or other third-party which the affected Member was scheduled for an appointment, when the provider is part of the CCO's provider network and requested the ride on the Member's behalf.

If a Member desires to file a grievance, Bay Cities Brokerage shall direct members to comply with its Grievance and Appeal System. Grievances related to NEMT services may include, without limitation, all expressions of dissatisfaction related to driver or vehicle safety, quality of services, interactions with NEMT providers or NEMT drivers, such as rudeness, access to services, and consumer rights. A member may express dissatisfaction about a denial of a service, in full or in part, through Bay Cities Brokerage's appeal process.

### As a NEMT user, you have a right to:

1. Receive safe and reliable transportation services that are appropriate for your needs.
2. Ask for interpretation services when talking to Customer Service and request NEMT materials in a language or format that meets your needs
3. File grievances about your NEMT experience.
4. Submit an appeal, ask for a hearing, or ask for both if you feel you have been denied a service unfairly.
5. Receive a written notice when a ride is denied.

### As a NEMT passenger, your responsibilities include:

1. Treating drivers and other passengers with respect.
2. Calling us as early as possible to schedule, change or cancel your transportation.
3. Using seat belts and other safety equipment as required by Oregon law.
4. Requesting additional stops in advance.
  - a. IF you need to make a stop at a pharmacy or other locations, we must approve that. Drivers are allowed to make only stops that have been pre-approved.

If the BCB Subcontracts its NEMT Service obligations to a Subcontractor, neither the Subcontractor nor BCB shall preclude members from making grievances that have been made previously or from filing or submitting the same grievance to Contractor if the grievance was not resolved to the member's satisfaction at the Subcontractor level. BCB has a process for documenting, responding to, and addressing or otherwise resolving all grievances, regardless of whether such grievances involve services provided by BCB itself or a Subcontractor.

## Privacy Policy

BCB's employees and drivers are not allowed to talk about, or share Oregon Health Plan (OHP) information, except for normal business reasons.

A law called the Health Insurance Probability and Accountability Act (HIPAA) protects your medical records and keeps them private. We will not discuss the reason for your appointment where others can hear. There are State and Federal laws that protect member's privacy. Health care information will not be released by BCB or our contracted providers without your approval. Except in an emergency or when required by State and Federal regulations. However, your clinical records may be reviewed by the State or Federal government to see if we gave you the best possible care.

## NEMT Policies

BCB requires that all drivers do not change the assigned pick-up time without prior, noted consent from BCB and you, the member. Information about the scheduled ride includes:

- The name and telephone number of the driver,
- The scheduled time and address of pick-up,
- And the name and address of the provider you are scheduled with.

When scheduling a ride, BCB notifies members of the ride plan via text messaging or when such information is available, during the phone call while scheduling the NEMT service. Otherwise, BCB obtains the member's preferred method (e.g., phone call, email, and fax) and time of contact, and notifies members of the ride plans including, but not limited to the name and telephone number of the NEMT provider, as soon as the plans are in place and prior to the date of the NEMT service. BCB informs member of the scheduled pick-up date, time, address, and the name and address of the provider to whom the member seeks transport at the time ride is scheduled, no less than (2) days prior to the scheduled pick-up time. If the ride requested is less than two (2) days prior to the scheduled pick-up time, the CCO or its subcontracted NEMT brokerage shall provide the Member with the brokerage's phone number and may, but is not required, to also provide the Member with the name and telephone number of the NEMT driver or NEMT Provider. Responsibility of determining whether ride plans have been made cannot be delegated to the Member.

BCB will make sure that they provide updated information to the drivers. They will monitor the driver's location. And they will fix any pick up or delivery issues. Drivers are not permitted to drop you off for an appointment more than 15 minutes before the offices open unless requested by the member or, as applicable, the member's guardian, parent or representative. Drivers are not permitted to pick up Members from an appointment more than 15 minutes after the office or facility closes for business unless the appointment is not reasonably expected to end within 15 minutes after closing, or as requested by the Member, or as applicable, the Member's guardian, parent, or representative.

In the event of an accident or incident, the driver will send an email notice to BCB within 24 hours. In this notice they will include the following information:

- Name of driver,
- Name of passenger,
- Location of the incident,
- Date and time of incident,
- Description of the incident including any injuries that were caused by the incident,
- Where the driver or passenger required treatment in at a hospital.

If needed, there will be a police report filed. This report will have an Administrative Notice. The full report will be sent to OHA. BCB will cooperate with all investigations related to any incident or accident.
